ARMY AND NAVY MEN ASK EVERY ONE TO DANCE

So that every guest who must be back at post before the revels begin calls "get up" can be at the Army and Navy Carnival half the night of February 24 and yet may get back to barracks, arrangements have been made with the Oahu Railway Company to run a special train as far as Pearl Harbor at 1 a. m. the night of the dance. Late street cars will also run to Fort Shafter, Fort De Russy and Fort Ruger.

The Army and Navy Carnival ball will probably be the greatest entertainment the enlisted men have ever had during the Carnival, or in fact at any time. Everyone is invited to the dance, and the committee is hoping a large number will come masked, though this is not considered a masked ball and masks or costumes are not necessary.

Admission and refreshments are entirely free, and the dance is open to all who want to attend. Refreshments will be provided in abundance and the best kind of music has been arranged for.

MOTHER'S PLOT TO MARRY MARY TO COUNT FAILS

In the mansion or in the cottage little Mary Pickford excels. In rags or in costly garments she is equally at home. Whether smiling, pouting or weeping she is equally pretty and fascinating. All of which is proved by this charming little entertainer in the title role in "Esmeralda," now playing at the Liberty theater.

The story opens with Esmeralda, a little unsophisticated country girl, living on a farm and loving every blade of grass that grows on the poor old homestead. Also, she loves David Hardy, owner of the adjoining farm which is about as poor a paying proposition as is that owned by Esmeralda's parents. A rich mineral deposit is discovered on the farm and Esmeralda and her parents move to the city where the mother, ambitious for her daughter's future, plans that she shall wed a count. Meantime David has also journeyed to the city in an effort to better his condition and prove worthy of the hand of Esmeralda. Luck fails David and he is alone and broke and ashamed to let Esmeralda know of his financial condition.

In her effort to force a marriage between her daughter and the count the mother secures a letter carrying the news of David's death and the heart-broken girl finally is induced to accept her mother's chosen fiancé. David, however, shows up at the wedding and the ceremony never is performed. Meantime the mineral vein has run "dry" and a new outcropping is discovered on David's farm and the closing scenes find Esmeralda and her family—David now a member—back on the old home place and happy.

SNYDER HOLDS "G" PLAYERS TO ONE LONELY BINGLET

[Special Star-Bulletin Correspondence]
SCHOFIELD BARRACKS, Feb. 14.—Sunday was a bad day for the would-be league leaders in the First Infantry, for, in addition to Company C seeing their chances for copying the pennant go glimmering, Company G, which to date has had championship aspirations, fell by the wayside when it succumbed to Company L's prowess to the tune of 7 to 0. It was a cold shut-out for "G," as they could do nothing with Snyder's slants, and only a scratch single in the second inning prevented Snyder from having a no-run, no-hit game to his credit. La-Jeune, who had been touted as another York, was as wild as the proverbial March hare, and hit one man and walked five. He struck out 10 men, however, but his opponent, Snyder, fanned a grand total of 13, and it was an unlucky number for "G," as the box score shows:

Co. E...10030210—7 13 2
Co. G...00000000—0 1 4
Batteries: Company L—Snyder and Maddox; Company G—La-Jeune and Burns.

DEMOCRATS WIN WITH TAMMANY ON MOUND

[Special Star-Bulletin Correspondence]
SCHOFIELD BARRACKS, Feb. 14.—Company C received another setback yesterday on their championship aspirations, when 500 per cent Company D ran away with a 4 to 2 victory. Both teams got the same number of hits, five, but the Company D contingent obtained theirs when they counted the most. Frequently Company C had men on bases when a hit would have meant a run, but Tammany of "D" had the India sign on his opponents and the hit was not forthcoming. Even Big Stick Sadler did not get a safe one, although he scored one of Company C's two runs.

SUTRO PLAY AT HAWAII DRAWING PACKED HOUSES

"The Walls of Jericho," another of those strong Fox attractions, introducing local photo-play fans such stars as Edmund Breece, Claire Whitney and Stuart Holmes, is registering big at the Hawaii theater for the early part of the present week. Incidentally, the "new" Hawaii is a most attractive little playhouse and one in which a most enjoyable evening can be spent, especially in view of the fact that the attractions, including all of the latest Fox offerings to flimdom, are among the best made.

Alfred Sutro, author of "The Walls of Jericho," usually writes his plays with an object in view other than the commercial end of the game. In this instance he undertakes to point out to the wealthy butterfies of England the error of their ways and shows them how their dissipations are bound ultimately to prove their undoing.

Lloyd B. Carleton, the distinguished producer is credited with a number of great screen offerings and his most exacting critics claim "The Walls of Jericho" to be his best. The film contains more than 300 artistic scenes, and is ably acted by a clever company of stars. The Hawaii theater will rapidly come to the front as a popular playhouse with such a service.

BIRTH OF NATION COMING TO OPERA HOUSE IN MARCH

"The Birth of a Nation," the film dramatization of "The Clansman," which has aroused so much discussion on the mainland because of the opposition of the negroes and others to its production, is to be shown in Honolulu next month.

George Bowles, manager for the Epoch Company, which controls the production, was a visitor in Honolulu yesterday and completed arrangements for the display of the film. It will be shown at the Opera House for two weeks, March 11 to 29. Bowles is on his way to Australia as advance man for the film, and stopped off while the Sierra was in port.

"The Birth of a Nation" is an entire evening's entertainment and has all the settings of a first class theatrical production, including prices. It has never been shown at a regular "movie" house, but is always put on at one of the best theaters when produced in a city. Prices for seats run from 50 cents to \$2.

67TH BIRTHDAY OF CONTRACTOR REDWARD OCCURRED YESTERDAY

Yesterday Frederick Henry Redward, one of the leading contractors of Honolulu, celebrated his sixty-seventh birthday anniversary. He was born in Peckham, Surrey, England, in 1849, came to Honolulu in 1880, and has been in business here since 1882.

Among the many buildings in Honolulu erected by Redward may be mentioned the Yokohama Specie Bank building and the Schuman building, which is nearing completion at the corner of Alakea and Merchant streets. Many other buildings in Honolulu, each of which has been a step in the city's advance, were constructed by Redward.

Only a few friends were made aware of the fact that yesterday was the contractor's natal day, and he observed it only informally.

Take Cascarets tonight and you will wake up with a clear head and your cold will be gone. Cascarets work while you sleep; they cleanse and regulate the stomach, remove the sour, undigested food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the bowels.

Remember the quickest way to get rid of colds is one or two Cascarets at night to cleanse the system. Get a 10-cent box at any drug store. Don't forget the children. They relish this Candy Cathartic and it is often all that is needed to drive a cold from their little systems.—Adv.

The national church pension fund of the Episcopal church received the endorsement of the diocese of California, holding its 56th annual convention at Grace cathedral. It was stipulated that the trust funds now held by the diocese for the benefit of disabled clergy and their widows and orphans be held intact, and that the California diocese refuse to join the fund until the raising of a reserve fund of \$5,000,000 is effected.
